In re application of

Serial No.

Group Art Unit

Filed

Examiner

DECLARATION UNDER 37 CFR 1.132

Masako Yudasaka declares:

That her education and professional background are as follows:

Physical chemistry

That she has conducted the following tests to demonstrate.:

The Raman spectra indicated that the spherical nanographite has well grown graphene sheets.

That from these tests he concludes:

The graphene sheets are arranged tightly due to the van der Waals force.

Shw further declares that all statements made herein of his own knowledge are true, and that all statements on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
